

Culture Induction Program

Supporting **expat leaders** understand and adapt to their new home country **culture.**

Culture Induction Program

Who can benefit?

New expat executives and leaders joining your company.

What is it about?

- To understand the new home culture,
- To support leaders living their values through diversity and inclusion,
- To create bonding above culture differences to build meaningful and sustainable collaboration.
- To equip leaders with tools to succeed in creating healthy relationships in his/her new role.

How does it work?

A **six hours** support through **face-to-face meeting**, the program can be conducted as a one day program or two meetings of three hours per meeting.
