

Spouse Life Transition Program

Making **Expatriation**
a smooth transition for
the whole **family**.

Spouse Life Transition Program

What is it?

Supporting **expat spouses** in creating a new life in their new host country.

A self exploration journey with a **life coach** guiding expat spouses in creating a meaningful and fulfilling transition in their new country home.

This program is a **six hours** in total; conducted in a three face-to-face meetings of two hours per meeting.

A happy spouse is a key of a successful expatriation and directly linked to the performance of your executive leader.

What are the benefits?

This program is fully personalized to the need of each person; it can range from:

- Finding new life balance,
- Clarifying and living your values in the new host country.
- Exploring talents and realizing full potential.
- Discover life purpose.
- Career transition and pursuing a passion or a dream job.
- Providing a safe space to process the curve of transition.
- Understanding and adapting to the new host culture.
- Resume/CV review.
- And more....
